May 6 – 7, 2010

Day 1: We are headed west today. No , we are headed east? Heck, I don't know where we are headed. We are just going to climb on the bus and head out. Wherever it is we are going, we will have a good time and a lot of laughs. On the way, to wherever it is we are going, we will stop and have lunch on the side of the road by a fence. Next we will arrive at our destination with a little something extra. What does that mean? I don't know! I am not exactly sure what their place is, but I know it is famous. Next we will go back in time to the roaring 20's. Dinner will give us a whole new understanding and respect for the hot dog.

Day 2: We will start our day off visiting a Big Hill. I know that you will enjoy seeing Gladys's Place. She, or is it a he, is famous around here. From there we will go and visit a place known for its copper. This should be beautiful. Now tell me again, where are we? I don't know!! Oh well, it doesn't matter where we are. We are still having a good time. Next we will visit a place that every dog would love. Take a picture. After all of this we will stop and have lunch with Art and his Magnolias. Now that we have eaten and rested we will have plenty of energy for this next stop? Well, this day is over and it is time to head home. We have had a good time visiting wherever it is we just visited.
